**Subject: Acknowledgement Letter.**

Dear Zara,

On behalf of the Akanksha Foundation, I would like to express our sincere appreciation for your generous in-kind donation of 38 self-designed STEMInist T-shirts. These shirts, gifted to our Grade 9 students, have made a significant impact by promoting the importance of supporting women in the field of science.

Your thoughtful contribution has not only provided our students with something tangible but also sparked meaningful conversations among them about gender equality and the importance of encouraging their peers and female family members to pursue STEM fields.

We are truly grateful for your support, and with supporters like you, we can continue to make a positive difference in the lives of our students.

Thank you once again for your kindness and generosity.

Yours sincerely,

**For The Akanksha Foundation**
